

MOTHER TRINIDAD DE LA SANTA MADRE IGLESIA
Foundress of The Work of the Church

Video on God's Plan and the Mystery of the Church

*“Help me to help God’s Holy Church;
and in this way we shall fulfil,
bring about and fully carry out
God’s plan for our souls.”*

Thus does Mother Trinidad de la Santa Madre Iglesia conclude her vibrant and stirring appeal in a video which you can access by clicking [on this link](#) or on her picture above.

The full title of her testimony is: **“Beloved soul, help me to help the Church by showing Her such as She is and how God in His divine mind wanted Her to be”**. It consists of a high-level and profound theological exposition, that is nonetheless straightforward, accessible and direct in its presentation of the beauty and richness of the Church, both divine and human through Its royal Head, Christ the Lord.

Mother Trinidad is the Founder and President of “ The Work of the Church”, an Ecclesial Institution under Pontifical Law, promoted by God to help the Pope and her “beloved Bishops” – as she is pleased to call them – present the true Face of the Church, replete and saturated with Holiness, and in this way have everybody live the profound and eternal mystery of God, Christ, Mary and the Church herself.

Born in Seville on February 10,th 1929, she combines the best qualities of the people of her land, simplicity, openness, spontaneity, and the rich, colourful Andalusian way of speaking. Her strong personality was rounded out by a sound family culture and a

deeply religious environment. Unable to complete her childhood studies, her education ended at a very elementary level, which left all her wealth of capacities exclusively open to the action of God. After having called her to Him with His powerful pace on the eve of the Feast of the Immaculate Conception in 1946, He began preparing her to carry out His plan for her in the Church.

In 1959 the Lord opened up to her the inexhaustible Sources of His divine Life so as to flood her with His Wisdom, making her a Witness of the Church's dogmatic richness and thus establish her as Prophet of God's Holy Church. Later He sent her forth: "Go and say it!, this is for everybody!". Immense love, theological exactitude, enthusiastic ardour and affliction of the soul emerge in a surprising and original manner in this, her "song of love" for the Church.

This video forms part of a great heritage: over 300 videos, 800 extraordinary in-depth talks, and 50 books. They constitute the gift that God has placed in Mother Trinidad's soul for the urgent renewal of the Church.
